Summary

I'm a passionate computer science student with a strong technical foundation, eager to solve real-world problems through innovative solutions and contribute to impactful projects that make a difference.

Education

Bachelor of Engineering Oct 2022 - 2026	**Sri Shakthi Institute of Engineering and Technology** Computer Science and Engineering CGPA 8.03*
Higher Education Jun 2020 - Jun 2022	**Orison Academy** - CBSE Computer Science 89.4%
Primary Education Jun 2019 - Mar 2020	**Vivek Vidya Mandir** - CBSE Computer Science 91.4%

Self-Freelance Projects

PharmaOne - ReactJS, NodeJS, ExpressJS, MongoDB   🔗 github.com/Nitin1112/Drug-inventory

- Led and developed PharmaOne, optimizing drug inventory and distribution across the healthcare supply chain.
- Developed separate inventory systems for pharmacy and merchant users, ensuring tailored features and seamless management.
- Ensured the "7 Rights" of supply chain management to enhance efficiency, quality control, and healthcare outcomes.

Note Hub - Flutter, Django, REST API   🔗 github.com/Navin82005/Notes-Sharing-Platform

- Designed and developed NoteHub, a collaborative platform enabling students and educators to share, manage, and access notes seamlessly.
- Built the frontend using Flutter with GetX for state management and the backend using Django, with MongoDB as the database.
- Implemented features like secure authentication, categorized note browsing, real-time synchronization, bookmarking, and profile management.

Areas of Interest

Flutter Developer

FullStack Developer

Mobile Application Developer

Skills

Full Stack Skills	Cross Platform Skills	Database	Problem Solving	Personal Capabilities
MERN Stack, Tailwind Css, Django.	Flutter, GetX.	SQL, MongoDB	Python, OOPS, DSA	Adaptability, Time Management, Collaboration.

Achievements

- **Secured 2rd place in the State level** competitive coding rounds held in Sri Eshwar College of Engineering. - JUL 2023
- **Organized Kalam** - The Tech Fest: Successfully contributed to planning and executing a state-level event at the college.
- **Mentoring:** I have guided and mentored students in getting through DSA and Development.
